

Join us next term at Raleigh Junior School, Monday & Friday afternoons.

Get ready to embark on an incredible journey through the wonderful world of arts and crafts. The children will have the opportunity to work with a whole range of materials, including watercolour pencils, clay, ink, charcoal and lots more.

They'll get to experiment with different techniques and have a fantastic time building on existing skills and learning new ones while, studying some of history's greatest artists! And the best part is that they'll build confidence, have a blast and let their imaginations run wild!
