Issue 2 Autumn Term 15th September 2022

The children have been involved in various discussions around the passing of our Queen. Last Friday, Rev Herrington and I led a whole school service of thanks for her lifelong service and briefly discussed the accession to the throne of King Charles III. I am sure that you will watch some of the funeral on Monday; CBBC Newsround is very child-friendly

*In today's assembly, which marked Democracy Day, School Councillors, House Captains and Sports Crew responsibilities were all announced. Congratulations to all of them and I am sure that they will carry out their duties in a diligent way for the year. See Pages 3 & 4 for the full list.*

Progress continues with the building of the adventure playground. We hope that it will be finished next week!

*Year 6 were involved in a fascinating workshop called 'Mexicolore' to launch their topic on Exploration. They loved looking at the artefacts and dressing up. They formed a procession and moved to Mexican music.*

There are still places available in some of the clubs. They are a great way of learning a new skill, improving an existing one and making new friends. The vision is that every child is in at least one club. Details can be found on the website, just [click here](#).

*Thank you to those parents who have emailed to offer help in school. As soon as all the 'Meet the Teacher' meetings have taken place, we will be looking at those offers of help.*

The Surrey Libraries' Reading Challenge 'Gadgeteers' closes on Saturday 17th September. Do go for it everyone to achieve your certificate and get as many stickers as possible on your Gadgeteer card. At both schools, stickers will equate to house points! We are in competition with Great Bookham School (GBS) here, regarding the number of children involved in the scheme so do go for it!

*Please may we ask you to ensure that when your child arrives in the morning that they have everything they need for the day ahead. Please ensure that water bottles ONLY contain water and not squash. Thank you.*

Please note that the majority of emails sent out from school are sent via our communications module SCOPAY. These are no reply emails. If the email requires a response from you, the email will contain the address that you need to send your response to. Thank you.

*There will be a Stripecy Stork collection in the playground before school on Thursday 29th September. This time around, they will be collecting for coats, NEW toiletries such as bubble bath, shampoo, toothbrushes, toothpaste, wipes and nappies. They will also be collecting uniform, Raleigh and unbranded garments. The Raleigh branded garments will then go in our next second hand sale which we are hoping to arrange in the next 2/3 weeks.*

*Thanks as always to Raleigh mum, Kate Archer for organising this collection.*

Please may I remind everyone, especially parents new to the school, not to park across residents driveways, to observe the one-way system in both Northcote and Nightingale Crescents and to be courteous to our neighbours. Thank you.

Dear Parents and Carers,

The Friends held a very successful meeting on Tuesday 13<sup>th</sup> September and have already lined up some of our key leadership for the main events in the coming school year such as Christmas Fair, Easter Fair and Summer Ball. Compared to where we were this time last year, this feels incredible. Once again this is due to the positive response following amazing events last year so we cannot thank the teams from last year enough.

We are still very keen to appoint at least 2 more formal committee members: **Secretary and Co-Treasurer**. Both are hands on roles at key times but not a major commitment. Fortunately, our outgoing Secretary and Co-Treasurer are still actively involved and will be on hand for any guidance.

If you would like to hear more please do reach out to us on [friends.raleigh@sfet.org.uk](mailto:friends.raleigh@sfet.org.uk) or via the Class Reps.

Regards,

The Friends of the Raleigh just wanted to send around a quick note re Amazon Smile. Think about how much you spend on Amazon and imagine that 0.5% can be paid to the school 🤖 🤖 🤖 🤖 .

This is how to set it up on your app in 3 easy steps

1. Go to <https://smile.amazon.co.uk> and log in as usual

👉 Yes this is outside your app, but see step 3 below to link)

2. Nominate Friends of the Raleigh (Surrey) as your chosen charity

It advises you should shop only using the smile.Amazon website above but I have a trick .....

3. After you sign up on the website, restart your app and in;

👉 Settings 👉 Amazon Smile should appear 👉 Turn on Amazon Smile ✓

4. Forward this to any family and friends who can also support the school !

We will be in touch with more fun events soon. 🤖🤖

Thanks 😊
