

The Raleigh School Development Plan 2016-2019

Vision and Aims

September 2017

review September 2018

Our motto Inspiring tomorrow's citizens

Our vision To inspire independence and nurture a life-long love of learning creating active and responsible citizens

Aims:

1. **In a safe environment and through excellent knowledge & skills-based teaching we aim to provide our children with creative, challenging learning opportunities that:**
 - encourage them to have high expectations of their abilities
 - promote determination to improve and encourage risk taking
 - enable them to become confident, independent and resilient in their own learning
 - develop understanding of others & promote values of equality
 - develop collaborative skills

2. Inspire children through excellent teaching and regular moderation to raise standards and ensure good progress.

3. School improvement through **sharing best practice** – within school between teachers and TAs, and between partnership schools.
4. Maintain a rigorous awareness of **financial efficiency to gain best value and also via joining SFET**
5. **Maintain focus on leadership skills, staff development, succession and governance capacity further facilitated through SFET**
6. Maintain & invest in the **fabric of the school** so we are confident our facilities provide a fit-for-purpose learning environment.
7. Monitor **local need** to understand implications for admissions and site.
