

Dear Parents,

The summer term is here already and although it includes SATs week, we have lots of exciting projects, experiences and treats planned for our final term together. Hopefully your children can continue to add to their happy memories of life at The Raleigh as we prepare them for moving on to secondary school.

The Year 6 Team

### Homework

Homework will continue as previously this half term, utilising resources such as Mathletics and SPAG.com. Later this term, the children will be set an extended homework 'project' to work on continuously for a number of weeks; more details to follow. The children **MUST** have their planners in school every day so that homework can be monitored including daily reading and the learning of spellings and mental maths.

**Please do remember to update us of any changes in circumstances. Many thanks.**

www.theraleigh.org

### Equipment

PE T-Shirt and shorts

Trainers

Pencil case with:

Pen with black ink

Pencil

30cm clear plastic ruler

Glue stick - essential!

Water bottle

Tissues

All required every day and must be named!

You are invited to our Y6 Summer Term Sex Education video viewing on Thursday 17th May - 6pm.

This viewing is entirely optional.
