

Welcome to Reception at The Raleigh!

We have been so pleased with how the children have settled. They are quickly making friends and picking up the new routines. We have been particularly impressed by how the children have come in at the start of each session and how quickly you have been leaving them once they are happy. We are aware that once groups A and B come in together there will be more congestion at the start of sessions. We would therefore ask, if your child is happy for you to do so, that you leave them with a member of staff at the gate. We completely understand that some children do still need the support of a parent or carer to settle them and if this is the case please feel free to continue to do so.

Also we ask that in order to help us keep the classrooms looking lovely, you avoid walking across the grass but stick to the path.
Thank you!

Reading

As a school we are very keen to promote reading and as such you will have seen that your child brought a book home from school on their very first day. At the moment most children will have complete free choice from the books available. Your child will remain on this free choice until we feel that s/he is confident enough with letter recognition to begin to read simple texts. In the meantime please get into the habit of sharing their chosen book every day and making a note of the date and title in their reading record book, along with any comments you would like to make.

Required Items

Please ensure that your child has a named coat with them every day as well as a filled water bottle. Please keep these out of book bags as it only takes a loose lid for there to be a leak.

They also need a small packet of tissues in their book bag which will be for their own use. Please keep a look out for when these are running low.

Thanks to those of you have already sent in a glue stick. Due to the way in which we work, these will be for communal use and as such do not need to be named. We will let you know when stocks are running low.

P.E. & Library Sessions

The children have P.E. every **Monday**. We alternate PE & Games so they need both kits.

We visit the library every **Wednesday**. Please do ensure that the book from the previous week is in their book bag as they will not be able to take home a new book unless they are returning their old one.

Reception Curriculum Evening

Wednesday 27th September 7- 8pm

We would like to invite you to an information evening to find out about the Early Years' Curriculum. We will also give you ideas for how you can help your child with phonics, reading and numeracy. The meeting will be held in the school hall.

We will be selling sets of our excellent maths resource, Numicon, on the night so do bring your cheque book along.

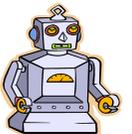

The meeting is on the same night as our first Friends of the Raleigh meeting of the year and our Chair, Rachel Irvine, would love to see any of you who are interested in becoming active members once our meeting has finished.

Topic Coverage

This term we have lots of exciting topics which we are sure the children will really enjoy! They are...
